Orlando Hello everybody i am very happy to share with you this good thing Agent hamida has done in my life i want to use this medium to testify of his good work in my life... i was strangely struggling in other for me to earn a

dime for a living... but with his help and all i was initiated into the great fraternity of illuminati which great things happen i was asked to decide and choose between the riches and the life of poverty so i think twice and i remembered that even though i looked round and go for help from other people they will always turn me down so i made up my mind and decided to make a deal with the lord metaphor and then things started happening at first i was asked to do so many things so with the few money i have i used it in initiating myself into the great brotherhood so immediately i was initiated i was also asked to render my bank details to them and then they surprise me with a huge amount of money which is \$ 10million dollars and was deposited into my bank account at first i thought it was to the illuminati here is your chance to join because Freemason is not just free but what you gain from it that makes it free so don't waste your time because if you believe on those crooks that took my money then you will remain poor and mind you to join you will need to pay just only \$ 100000 to join and another \$ 1600 for the flights and all other inquires needed, which is making it \$ 200000 in total....so contact them now and you will all be free like a bird and also you will be rich and famous ana total joke until when the banks came to visit me in my home and they were congratulating me that my account is filled up with a large of money so if you need help and you want to be initiated also ind they will also restore your heart desire... contact them now at... brotherhoodtemple12 or you call there agent at whatsapp +27780305036,Email:johnsonlupe1@gmail.com
