People make life difficult for their self , we are in the world were everything is in control , if you are living a life of poverty and pains, and never know there is a life beyond that, but right now you want to enjoy every dividend of life , riches , fame , power, wealth and protection. you will live a life with out no stress, all this will come as a surprise for any body who want riches famous and power, then you have the chance to do that, OCCULT Knowledge means knowledge which is "hidden", but it also means knowledge which is known. If it is knowledge that is known, there must be Those who know it; there could be no knowledge without the knowers of it. True occult knowledge can be obtained only by those who follow the path to it. That path was set down by Those Who Know; all who will may and can arrive at that knowledge. This is not a path open only to certain persons; it is open to every living human being, and limited only by the limitations we ourselves place around it through choice or through ignorance.

Much is heard in the world today of what passes for "occult knowledge". Much experiment goes on under that name in various directions: we have societies for psychical and psychological research, and there is much talk of psychic and astral "experiences" and "communications" with the dead. All

these various methods of research are from below, upwards, and will never find the goal. Scientific methods, psychological methods, the methods of the Spiritualists, alike proceed from particulars to universals. Particulars are infinite, and those who follow that path will inevitably get lost in its infinite ramifications, with no real knowledge gained. The goal is to be found from above, below — from universals to particulars, and not the reverse,

Without true wisdom and inner power, the outer trappings of success are all in vain, for spirit is ascendant over matter. That which is eternal is of far greater value than that which turns to dust. The Aqeerah Brotherhood's teachings are not aimed merely towards self-aggrandizement but for the greater happiness of the Member and so that they, in turn, may bless and help others upon the path of life.

With that said, let us say that anyone, having the right knowledge, inner power and a circle of powerful friends, with grit and determination can attain to success and prosperity.

Advancement in the Brotherhood's degrees of wisdom and power can, however, translate into a virtual guarantee of lifetime security because you are building a power within yourself that can never be taken away. Success is not handed to anyone on a silver platter and only you can guarantee your future happiness.

Why not start today building that happiness, prosperity, inner power and peace by joining The Aqeerah Brotherhood? you can get us through

Life is a game. Money is how we keep scores.

Money speaks sense in a language all nations understand.

If you would know the value of money, go and try to borrow some; for he that goes a borrowing goes a sorrowing.

Unfortunately, the Christian Church has prevented much in the way of freedom of the press and free speech, especially for those of the left hand path over the years. our family is a major threat to many who wish to retain control, riches and power as for our family this riches and power is in the hands of the common man/woman.

For those of you who were raised in Christian homes, or were atheists, this intensity of spirituality may be believing there is no other way to success accept Christianity, but that is a big liar. believe me AQEERAH Brotherhood lead to success without human sacrifice.

Most right
hand path religions are
based upon stolen and false
practices.

As to those
Christians who pray and
keep praying with no answers, our family get blatant answers and I don't mean twenty years later,
but instantly!

Making wealth is guaranteed for
the people of the world.

people have been passing through hell thinking they can make it so fast by working harder but they
did not know that there is a secret way to make real money without even a stress, but only the wise
and mind set ones that can set on a journey to the spiritual land of wealth where to achieve the kind
of life they desire, my people the choice is yours to make neither you choose to design your future
nor you leave to admire the wiser ones think wisely and prove the world wrong of ever being poor
for the rest of your life to move to the next level,

We are the first above-ground organization in history
openly dedicated to the acceptance of Man's true nature —
that of a carnal beast, living in a cosmos which is permeated
and motivated by the [b] Dark Force [/b] which we call Satan.
Over the course of time, Man has called this Force by many
names, and it has been reviled by those whose very nature causes them to be separate from this
fountainhead of
existence. They live in obsessive envy of we who exist by
flowing naturally with the dread Prince of Darkness. It is for
this reason that individuals who resonate with Satan have
always been an alien elite, often outsiders in
cultures whose masses pursue solace in an external deity. We magicians are our own gods, and we
are the explorers
of the
Left-Hand Path. We do not bow
down before the myths and
fictions of the desiccated
spiritual followers of the Right-Hand Path. Today, we continue to uphold
our legacy by building on the
solid foundation created by The Lord Shanghai, and set forth
in his writings, recordings, and
videos. Since we were the first organization dedicated to
him, we have had extensive media coverage and been referred to
by several names over the course of over four decades:
Aqeerah temple, is the first occult temple in Africa, before
occult temple all over African today and the
world, yet we maintain the

simplest and boldest moniker, embodied.
